Account help

STEP 1 OF 2 · CONFIRM IT'S YOU

Delete your account

One account works in both the **Ammu Sammu** and **Kokani Dine Inn** apps. Deleting it here removes it from both.

Mobile number Change

+91 98765 43210

✓ Code sent on WhatsApp

6-digit code

• • • • • •

Didn't get it? You can send a new code in **0:41**

Verify and continue

Have the app? Open your account, tap the three dots, then **Edit profile → Delete my account**.

STEP 2 OF 2 · CONFIRM DELETION

Delete the account for +91 98765 43210?

What happens

- **Deleted:** your name, number, saved addresses and notification settings, in both apps.
- **Removed:** your order history. You're logged out on every phone.
- **Kept:** the restaurants' bills for past orders, permanently, with your name, number, address and location removed.

- [x] I understand this can't be undone and applies to both apps.

Finish active orders before requesting deletion.

Deleting your account…

This can take a minute. Please keep this page open.

New orders are paused for this number while we finish.

Your account has been deleted

It's gone from both the Ammu Sammu and Kokani Dine Inn apps, and you've been logged out on every phone.

You can always sign up again with the same number. You'll start fresh.

Finish your active order first

You have an order that isn't delivered or cancelled yet. Finish active orders before requesting deletion. Nothing has been deleted.

Ammu Sammu

Back

Add another owner first

This number is the only owner of **Ammu Sammu**. At least one owner must remain, so this account can't be deleted yet. Nothing has been deleted.

What to do

1. Open the owners' app and go to **Settings → Owners**.
2. Add another owner's mobile number.
3. Come back here and start again.

Back

We couldn't finish deleting your account

Deletion started but didn't complete. Your account is paused, so no new orders can be placed with this number. Try again to finish it.

Try again

Contact the restaurant

You can close this page and come back later; verifying your number again picks up where it stopped.
